TIME IS THE TEST

The Testimony of Barre People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer, from kidney ills is looking for.

Geo. L. Cummings, 75 Prospect street, Barre, Vt., says: "In 1897 when Doan's Kidney Pills were procured at E. A. Brown's drug store, there was a constant dull aching in the small of my back and kidneys. In addition to this was a distressing kidney weakness which caused me no little annoyance. Doan's Kidney Pills cured me and there has been only two slight recurrences of the trouble since. At such times I have taken a few doses of Doan's Kidney Pills and found prompt relief."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

It won't have to be painted again for 12 to 15 years, because the L. & M. Paint is metal zinc oxide combined with white lead and wears and covers like gold.

D. F. DAVIS' SUCCESS.

D. F. Davis, the enterprising druggist, rather than await the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half-price.

In addition to selling a 50c bottle of Dr. Howard's specific for 25c, D. F. Davis has so much faith in the remedy that he will refund the money to anyone whom it does not cure.

When your head aches, your stomach does not digest food easily and naturally when there is constipation, speaks before the eyes, tired feeling, giddiness, bad taste in the mouth, coated tongue, heartburn, sour stomach, roaring or ringing in the ears, melancholy and liver trouble, Dr. Howard's specific will cure you. If it does not, it will not cost you a cent.

MOTHER FIGHTS FOR CHILD.

Strange Story Told in Court at Brattleboro Trial.

Brattleboro, April 1.—An unusual instance of domestic infidelity came to the attention of Superior Judge F. M. Butler of Rutland here Tuesday at a hearing on a writ of habeas corpus for the release of Helen Sparrow of Avalon, Penn., who was in the custody of Mr. and Mrs. Henry Sparrow of Bellows Falls, by whom she was adopted a few days ago. The girl is 7 years old and is a daughter of Mr. and Mrs. Allen F. Sparrow of Avalon.

A short time ago her father, who is a brother of Henry Sparrow, left home with the girl without telling his wife, of whom, it is alleged, he was jealous, where he was going, and he took her to Bellows Falls, where she was adopted. The mother, who is seeking to gain possession of the girl on habeas corpus proceedings, says the child is deprived of her liberty without due process of law. It was admitted that the mother was not notified, but H. D. Ryder, counsel for the husband, contended that the adoption was strictly in accordance with the statute, which provides that where a minor is adopted the document must be signed by one of the parents.

E. W. Gibson, counsel for Mrs. Sparrow, contended that it was not constitutional, that it gave the husband the right to sign away the wife's right and interest in her child. Judge Butler said that in his opinion the husband's rights were not paramount to those of the wife, and that if they were on an equality the husband could not sign away the wife's right without her consent.

He adjourned the hearing to April 12 to satisfy himself on those points, as apparently this is the first case of its kind that has come up in this state. Judge Butler gave Mrs. Sparrow the custody of the child, Mrs. Sparrow furnishing a bond for \$1,000 to keep her in the state and produce her in court when so ordered.

The statements of counsel showed that previous to this year Mr. and Mrs. Allen F. Sparrow and their daughter, Helen, lived in Avalon, near Pittsburgh. Harvey E. Ames, who is now in Newfane jail in this county, went to the home to board and Mr. Sparrow became jealous of him. An arrangement was made whereby Mrs. Sparrow was to go to the home of her father, Lorin Taylor, in Winchester, N. H., to remain a few months. Shortly before the time for her departure her husband took the child out of the house on the pretext that he was going to buy a pair of shoes for her. He did not return that day or the next, and the furniture was taken from the house by virtue of a mortgage.

Mrs. Sparrow had no money, but she borrowed some of Mr. Ames in order that she might come to Vermont and search for her daughter among relatives. Ames accompanied her to South Vernon where she was met by her brother, F. H. Taylor of West Brattleboro. Mrs. Sparrow searched among relatives in Springfield, Vt. and in Bellows Falls, and at the latter place she found that the child had been adopted by her husband's brother and his wife, Mr. and Mrs. Henry Sparrow.

Meanwhile the husband brought suit against Ames on the charge of alienation of affections. So greedy was Mrs. Sparrow's desire to obtain possession of her child that she agreed to lure Ames into Vermont so that he could be arrested if only her child could be restored to her. She wrote a letter to Ames asking him to come to Brattleboro, which he did, and immediately upon his arrival he was arrested by Chief of Police James H. Evans and delivered to Bellows Falls officers, who took him to Bellows Falls. Ames was held under \$5,000 bonds, and as he was unable to

CAR FOR WOMEN ONLY.

Rush Hour Innovation in the Hudson Tunnel System.

New York, April 1.—It was blue-ribbon day for the women on the trains of the Hudson tunnel system this morning. They had a car all for their own use and they held exclusive right to it for two hours. The plan will be put into effect in the rush hours—that is, the rear car on all trains bound from Hoboken for 22d street between the hours of 7 and 9 o'clock in the morning and from 22d street to Hoboken from 4:30 to 7 o'clock in the evening, will be set aside for women only. Just now the plan is in the experimental stage, but if it proves successful, the tunnel company may reserve two cars for women instead of one.
